

SATELLAR Digital System

World Premiere in Nürnberg, Germany on November 25–27

More than just a radio modem – a complete solution

Dear Customer,

SATEL Oy is very proud to invite you to the public launch of our long-awaited SATELLAR Digital System at the SPS/IPC/DRIVES 2008 Fair in Nürnberg, Germany on November 25–27.

In addition to the celebrations, presentations and speeches at the tradeshow, I want to warmly welcome you to dinner on the evening of Wednesday, 26 November after fair closes.

Please take this opportunity and confirm your attendance at the dinner with your distributor by 17 November.

Best regards, and looking forward to see you all in Nürnberg.

Tuomas Pitkänen
Managing Director, SATEL Oy

- TCP/IP • INTEGRATED MODULAR SOLUTION • DSP RADIO WITH 20 MHz TUNING RANGE • LINUX OS

LET'S MEET AT OUR STAND 4A-520L

You are most welcome to get to know in more detail the SATELLAR Digital System and our diverse services. Please fill out the attached form and return it to our fair stand. We will send you a gift after the fair.
